PROJECTS

Pu ReVu | github.com/AndrewEHarding/Pu-Revu | <https://andreweharding.github.io/Pu-Revu/>

Position: **Team Leader**

A web application that helps users find, rate, and review public restrooms in their area.

- Allows users to submit a personal review that can help other users.
- Helps users search reviews by area and rating.
- Provides reading materials for users once finished submitting/reading reviews.
- Coded with HTML, CSS and JS. Made use of the Materialize framework and FireBase.

Bluelit | <https://github.com/rhoffman103/project-2> | <http://blueit313.herokuapp.com/>

Position: **Front End Designer**

A new social media forum that lets you post and read reviews either in your local area or by topic.

- Account creation through Passport.js.
- Database management with Sequelize.
- Allows sorting of other user made posts by location or topic.
- Made with Express, Handlebars, and powered by Heroku.

WORK EXPERIENCE

Shift Supervisor at Rite Aid Pharmacies | Currently Employed, began in July, 2016

800 Islington Street, Portsmouth, NH 03801

Daily activities include customer service, team management and store supervision. Responsible for an organized and efficient workplace while being familiar with current sales promotions.

Sales Associate at iMobile | Employed from September, 2015 to June, 2016

2001 Woodbury Ave, Newington, NH 03801

Promoted sales of all iMobile trusted phone brands and subscription plans. Frequently worked with network subscribers to troubleshoot technical problems over the phone and in person.

General Staff at On-Site Family Martial Arts Center | Employed from August, 2015 to June, 2016

117 Gosling Rd, Newington, NH 03801

Responsible for studio office organization. Helped optimize the studio's online communications and improve social media presence.

EDUCATION

University of New Hampshire Coding Bootcamp, Portsmouth, New Hampshire – Full Stack Web Development Certification 2018

Lyndon State College, Lyndonville, Vermont – Bachelor of Arts in Digital Media 2012
